

Bhutan at AAU

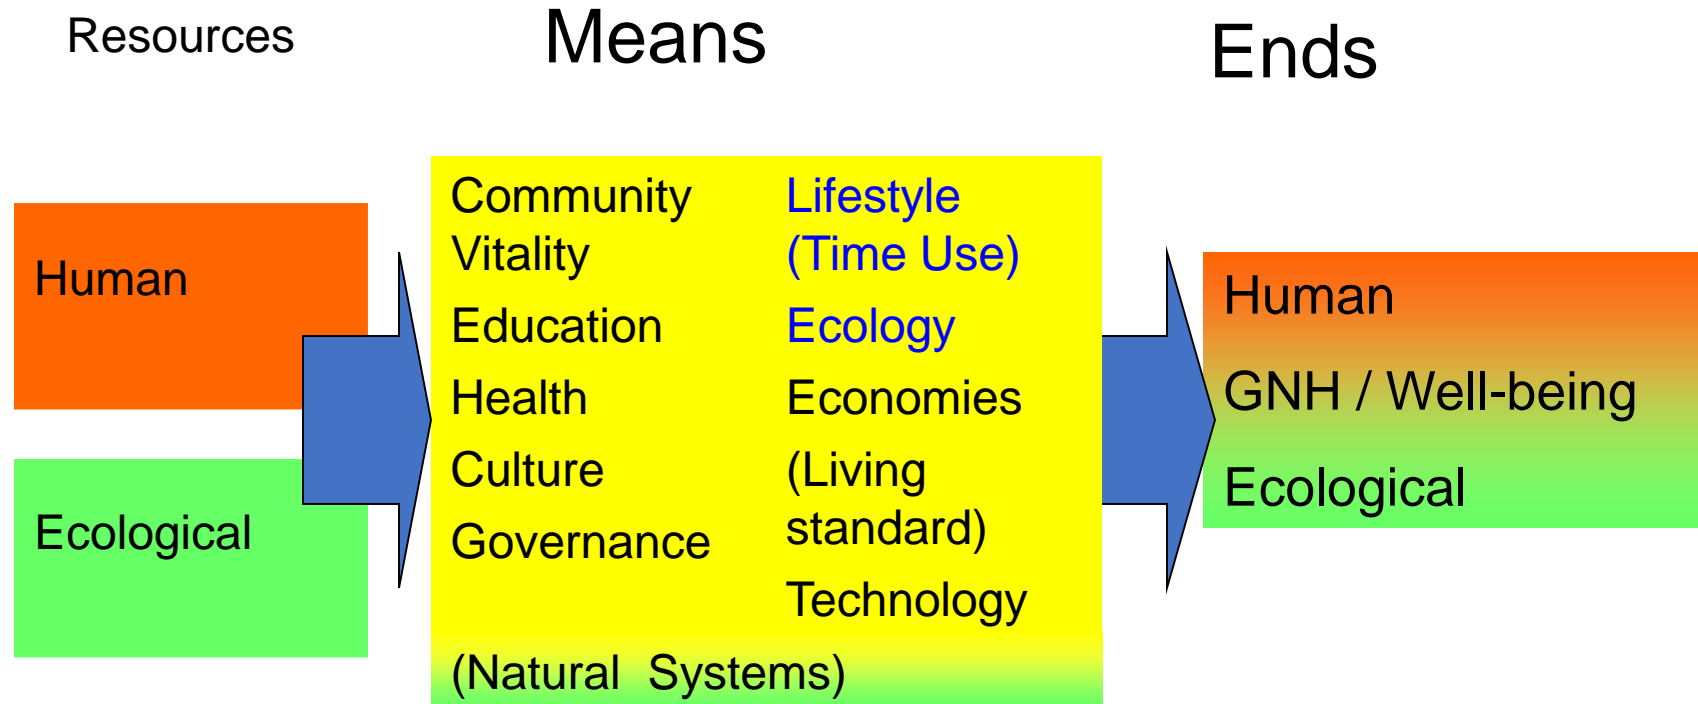

GNH

Creation of an enlightened society in which happiness and well-being of all people is the ultimate purpose of governance

Means and ends of GNH

Danida phasing out

- In 2014 - The four-year Transition Support Program (TSP) with a budget of DKK 50 million culminates the 30-year-long development cooperation partnership that Denmark and Bhutan have enjoyed
- Danida and RUB a joint-collaboration and paid by both parties 10 million DKR for 5 PhDs (3 for AAU – Education Assessment; ICT; Health in Education)

Health in Education and Social Policy at Crossroad in Bhutan

- Output:
- One PhD
- One book (land another in press)
- One article in international journal
- Continued collaboration
